

'Admiration'

Royal Burgundy™ 'Gentry'

'Orange Rocket'

C1 *Berberis thunbergii* available at Briggs

Briggs currently has a great selection of C1 Barberries in a wide variety of colors, ranging from deep burgundy to golden yellow. These colorful deciduous shrubs are deer resistant and bird friendly, great for foundation landscaping. Berberis grows best in full sun and well draining soils, and is hardy in USDA zones 4 to 8. Briggs also has an assortment of barberry available in L2 and C3 sizes.
